- EyeComfort – light that's easy on the eyes

Durability
- Long life span up to 15,000 hours

Highlights

Expressive and elegant form
A clean, modern design provides elegance and sophistication to your rooms.

Easy installation

EyeComfort
Poor quality light can cause eye strain. With many of us spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, colour rendition and dimming effects to ensure they
meet EyeComfort requirements. Philips LED bulbs not only deliver comfortable light, but also stay that way for the duration of their lifespan, delivering consistent light quality, output and colour for more than a decade. Switch to light that's easy on your eyes. Your eyes will thank you.

Long life span up to 15,000 hours
Philips LED technology extends your product's lifetime up to 15,000 hours.
