Comfortable LED light that's easy on your eyes

Philips LED luminaires provide light that is designed for the comfort of your eyes.

Easy to experience
- Easy installation

Safety
- Moisture resistance

Premium quality
- EyeComfort – light that's easy on the eyes
- Easy to clean

Durability
- Long life span up to 15,000 hours

Highlights

Easy installation
No more hassle with installation. Just fix or hang securely on the wall or ceiling, and plug it in. Your new light fitting is now ready to light up your room!

Moisture resistance
Moisture resistance means you can confidently use this product in bathrooms, kitchens, balconies and other spaces where moisture may be a consideration.

EyeComfort
Poor quality light can cause eye strain. With many of us spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, colour rendition and dimming effects to ensure they
meet EyeComfort requirements. Philips LED bulbs not only deliver comfortable light, but also stay that way for the duration of their lifespan, delivering consistent light quality, output and colour for more than a decade. Switch to light that's easy on your eyes. Your eyes will thank you.

Easy to clean
Smooth and easy-to-clean materials mean your home always looks attractive from floor to ceiling.

Long life span up to 15,000 hours
Philips LED technology extends your product's lifetime up to 15,000 hours.
