# Highlights

### Calc-clean

Calc-clean for extending iron's life for years

### Comfortable handle and stable

Comfortable handle and stable heel rest for extra stability

### Continuous steam up to 18 g/m

Continuous steam up to 18 g/min for fast crease removal.

### Integrated water spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

### Large filling door

Large filling door to prevent accidental water spilling.

### Temperature control dial

The large temperature control dial lets you easily adjust to the right ironing temperature for each kind of fabric, so you can achieve your desired results safely.

### Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

### Power up to 1400 W

Power up to 1400 W enabling constant high steam output.

### Steam boost up to 65 g

Steam output is measured in grams of weight as it leaves the soleplate. The heavier the output the deeper the steam can reach into the fabric layers for longer lasting crease removal. This steam iron has a 65 g steam boost for stubborn crease removal.
