Product Benefits & Features

Nature's freshness preserved
A stunning meal starts with impeccable ingredients, lovingly sourced and prepared fresh from the earth. Our TwinTech® system ensures your produce is stored at the optimum temperature and humidity levels, meaning fruit and vegetables stay crisp and fresh for longer, ensuring the flavours that nature provided live on in every

Preserve the nutrients of fresh ingredients
Preserve the nutrients, flavour and colour of produce with UltraFresh. The sealed crisper drawer maintains the best humidity level, removing all excess condensation. Preventing anything from shrinking or drying out. So ingredients are at their freshest and most vibrant, day after day.

Stable temperatures for longer-lasting freshness
This fridge freezer makes the most of new technology to keep your food ready to eat for longer. MultiFlow technology provides a uniform flow of air throughout the fridge freezer and protects your food from sudden temperature or humidity changes , to ensure long-lasting freshness.

Adaptable for every taste
Keeping all your fresh ingredients to hand is key to creating fresh, delicious dishes. Now the CustomFlex® refrigerator from AEG lets you organise your fridge storage just the way you want – enabling you to move and rearrange bins quickly and easily to maximise storage space. Clips for herbs. Clear
