# Freestanding Refrigerator 155 cm A++

**RKB63221DW**

**Fresh food thanks to the fridge's controlled storage conditions**
DynamicAir Technology keeps the temperature even throughout the whole refrigerator, which guarantees the safest storage for all your fresh food items.

DynamicAir Technology keeps the temperature even throughout the whole refrigerator, which guarantees the safest storage for all your fresh food items.

## Product Benefits & Features

**A++ class – 21% more efficient than A+-class, comparing the classes**
The EU energy label system independently ranks domestic appliances according to their energy efficiency – and it has awarded this Fridge freezer an A ++ energy label. The difference is clear: for upright freezer the A++ class is 21% more energy efficient than A+ class, comparing the classes.

**Quickly reach the optimum storage temperature with this fridge**
When new food items are placed in a fridge, not only do they take time to cool down to the optimum temperature, but for a while they can even raise the temperature, affecting other products. The Coolmatic function prevents this by lowering the fridge temperature for a short period after it has been

**Bright and even light that shines into every corner of your fridge**
LED lights represent the most cutting edge lighting technology, which is why AEG has integrated them inside this fridge. The internal LED lighting produces a brighter light, which shines evenly across the whole space. Plus, LED technology is smaller and more energy efficient, for more space inside

**Extra strong glass shelves for safe storage**
This fridge has robust safety glass shelves, which can safely support even the heaviest items.

- LCD touch display
- Door open indicator
- 317 litre gross fridge capacity
- 314 litre net fridge capacity
- Auto fridge defrost
- Precision cooling system
- 98 bottle capacity
- Full width covered dairy compartment
- Door shelves
- Reversible door
