

Philips Performer
Compact
Vacuum cleaner with bag

AirflowMax technology

TriActive nozzle
Hard floors nozzle
Long reach tool

FC8377/19

Full performance. Easy to use

With AirflowMax technology and TriActive nozzle

The new Philips Performer Compact vacuum cleaner delivers top cleaning performance with minimum effort. AirflowMax technology keeps the suction power stronger for longer. The TriActive nozzle removes dust efficiently on all floors.

Remarkable cleaning results

- Energy efficiency class A
- Revolutionary AirflowMax technology for strong suction power
- The TriActive nozzle applies 3 cleaning actions in one go
- A-class performance on hard floors

Effortless cleaning

- Long reach tool for difficult to access areas
- On-board accessories for ultimate convenience
- ActiveLock couplings to easily adjust to each cleaning task
- Compact and light for effortless cleaning and easy storage

Clean air filter system

- S-bag Classic Long Performance lasts up to 50% longer
- Super Clean Air filter for dust-free, healthy air

1-year supply of dust bags*

- 5 s-bags and 1 s-fresh (scent granules)

Vacuum cleaner with bag
AirflowMax technology TriActive nozzle, Hard floors nozzle, Long reach tool

FC8377/19

Highlights

Energy efficiency class A

This vacuum cleaner is engineered to achieve full performance with an energy efficiency class A.

AirflowMax technology

The unique AirflowMax technology keeps the suction power stronger for longer* to use the bag to the very end. The technology is build around the optimization of three key elements: 1) Unique ribs profile inside the dust chamber to maximize airflow around the dustbag and enable the use of the entire bag surface. 2) Specially designed dust chamber capacity that allows the dustbag to fully unfold uniformly. 3) High quality, non-clogging fibre structures in the dustbag absorb dust without blocking the pores, thus avoiding a reduction in suction power.

TriActive nozzle

The TriActive nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It picks up the dust and dirt closely alongside furniture and walls with its left and right side air channels.

A-class on hard floors

This product achieves the highest cleaning performance class on hard floors. 100% of dust is picked up!

DESIGN AWARD 2016

IF DESIGN AWARD

Award-winning products are selected by the top names in design
Each year, iF International Forum Design GmbH organizes one of the world's most celebrated and valued design competitions: the iF DESIGN AWARD. Recognized as a symbol of design excellence around the world, the iF DESIGN AWARD welcomes over 5,000 submissions from 70 countries every year.

Specifications

Performance
- Energy efficiency rating: A
- Dust re-emission class: C
- Carpet cleaning class: D
- Hard floor cleaning class: A
- Annual energy consumption: 27.5 kW·h
- Input power (IEC): 750 W
- Sound power level: 81 dB
- Vacuum (max): 17,5 kPa

Usability
- Action radius: 8 m
- Carrying handle: Front
- Cord length: 5 m
- Tube type: Metal 2-piece telescopic tube
- Wheel type: Rubber
- Tube coupling: ActiveLock

Design
- Color: Star white

Filtration
- Dust bag type: s-bag Classic Long Performance
- Dust capacity: 3 L
- Exhaust filter: Super Clean Air filter
- Motor filter: 1 layer foam filter

Nozzles and accessories
- Accessories included: Crevice tool, Integrated brush
- Additional nozzle: Hard floor nozzle
- Extra accessories: 5 s-bags, 1 s-fresh, Long reach tool
- Standard nozzle: TriActive nozzle

Sustainability
- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Weight and dimensions
- Dimensions of product (LxWxH): 400 x 282 x 251 mm
- Weight of product: 4.2 kg

Issue date 2016-08-12

Version: 7.0.1
