Highlights

LED power-indicator light
The discreet LED light glows softly to let you know at a glance that the unit is powered.

Works anywhere
Even if you're not near a wall or car charger, you can recharge your device's battery with the convenient battery pack. The intelligent battery pack supplies power first, so you can remove the pack after use and still have a full battery on your device.

Rechage multiple times
This portable power source gives you the extra power for more than two full recharges on the go. Take it with you when you travel to have back-up power when you need it.

Works with USB-based devices
The universal unit has a USB connection for use with your USB-based device via the device's USB cable which you already own or can purchase separately.
