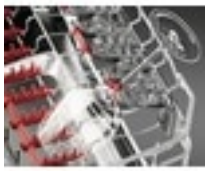
Free Standing Dishwasher with AirDry Technology

FFE62620PW

Corner-to-corner. Covered
Even closely stacked or larger dishes should receive corner-to-corner cleaning. Now, the innovative satellite spray arm in the new AEG dishwasher ensures that every corner of the machine and every inch of the items inside are reached by spraying water thoroughly inside. No residue.Just stunning results across every surface.

No residue.Just stunning results across every surface.

Product Benefits & Features



Superior Cleaning and best glass care
Your delicate glasses can not be cleaned in a safer way thanks to AEG SoftGrip and SoftSpikes which perfectly holds your glasses, protecting them from getting damaged.

Open-door drying with AirDry
AirDry technology delivers up to three times better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

Perfect protection for delicate glasses
The special glass program delivers perfect washing results while protecting your most precious glass, crystal and china.

- Capacity: 13 place settings
- Sensorlogic
- Extra silent programme
- 4 temperature settings
- 6 programmes including:
- 30 min 60° quickwash
- Glass 45° C wash
