DANUBE KOLPA WHITE

The backlit front triangle made up of multiple colored rhombuses gives it a unique suprasensory appearance.

The DANUBE KOLPA is a large format PC case that offers a versatile interior with high-end features, such as ample space to house liquid coolers, up to 6 fans and space for a 345mm graphics card: total freedom for multiple configurations and later expansions .

Through the tempered glass side panel you will have a clear view of the internal components of your setup.
