- QuickWash 14'
- Turbo Drying
- 9 L Water Consumption
- Advanced Inverter Motor

SHARP
Be Original.

Superior efficiency, reduced noise levels and a longer lifetime are all delivered with the Advanced Inverter Motor making doing the laundry a pleasure rather than a chore.

Leaks happen but with the Aquastop you have the peace of mind that if a leak is detected the water supply is shut off to protect you and your home.

Program your dishwasher so that it starts at a time that suits you.

Keep your children safe from accidentally using the microwave with the easy to set up Child Lock.

For those times when you only have half a load but need it done the Eco Wash allows you to select either the top or bottom half of the machine to be cleaned.

When time is of the essence this program does the dishes in 50 minutes at 60°c.
