Product Benefits & Features

Perfect door-closing every time with this freezer
Thanks to its special door hinges, this upright freezer ensures a soft and precise door-closing performance while reassuring the door will not remain open unnoticed.

A++ class – 21% more efficient than A+-class, comparing the classes
Preserve your food with greater energy efficiency - using this A++ class upright freezer. Energy class A++ is 21% more energy efficient than class A+, comparing the classes.

Perfectly fresh food – straight from your freezer
The FastFreeze function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.

Perfect control over the freezer's storage conditions of your food
For precise control over your freezer, the visible and audible alarms alert you as soon as the temperature rises too high. The upright freezer also records the highest temperature reached.

Take complete control of the freezer at the touch of a finger
Control your upright freezer with just the lightest touch using these advanced Touch Controls. Feedback can instantly be seen on the control panel's clear LCD display.
