AEG

9000 Series Freestanding Washer Dryer 10 kg 1600 rpm

L9WEC169R

It's your complete wardrobe guardian
The pioneering ÖKOKombi with SensiDry® Technology tailors the system to different fabrics, whether silk, woolens or outdoor wear. Its heat pump technology controls temperatures and drum movements to ensure everything is evenly washed and dried. Every time.

The pioneering ÖKOKombi with SensiDry® Technology tailors the system to different fabrics, whether silk, woolens or outdoor wear. Its heat pump technology controls temperatures and drum movements to ensure everything is evenly washed and dried. Every time.

Product Benefits & Features

Low temperatures for more efficiency and better economy
Our washer dryer, a world-first, features a unique heat pump in our pioneering SensiDry Technology®. ÖKOKombi harnesses an unsurpassed knowledge of fabric for the most effective and economical programmes. Translating into a saving of up to 40% energy and water in every cycle when compared to other machines.

Dual technology for sensitive care
Our DualSense Technology tailors the temperature and motion of the drum to different fabrics and adjusts programmes accordingly. Lower heat and controlled movement mean that everything from delicates to outdoor wear can be carefully and washed in one go. Both washing and drying cycles are certified

Adjusted cycles for absolute convenience
ProSense Technology® automatically adjusts washing and drying times to the size of the load. Enabling convenient and economical cycles – saving on time, energy and water – whether the load is small or big.

FROM DRY TO DRY IN JUST THREE HOURS
The NonStop 3h/3kg programme takes just three hours to wash and dry loads of up to 3kg. Meaning ready-to-wear results on-demand with one seamless dry-to-dry process. The most convenient way to care for clothes – without compromise.

SMOOTHEN WITH STEAM FOR LESS IRONING
The steam programme from relaxes the fibres in your clothes to reduce wrinkles and avoid ironing. Ensuring they look and feel better for longer. The option to quickly refresh clothes without putting them through comprehensive cycles also means they stand the test of time with less exposure to temperature and motion.

- Washing capacity: 10 kg
- Drying capacity: 6 kg
- 1600 RPM spin speed
- Cotton programmes
- Synthetic programmes
- Delicate programmes
- Wool plus programme
- Easy iron programme
- Drying time option
- Extra rinse option
- Delay start option
- Stain action option
- Sensitive option
- Aqua control and alarm
- Automatic child safety
- A class energy efficiency
- A class wash performance

9000 Series Freestanding Washer Dryer 10 kg 1600 rpm

L9WEC169R

Product Specification

Series	9000 Series KOMBI SensiDry
Energy class	A
Wash Energy Rating	A
Energy consumption Annual (kWh)	180
Energy cons. annual washing/drying (kWh)	814
Annual water consumption for washing & drying	15400
Annual water consumption for washing only	15000
Load Capacity kg (Wash)	10
Drum volume	69
Maximum spin speed (rpm)	1600
Residual humidity	44
Motor System	Permanent Magnet
Washing noise level IEC 704-3 dB(A)	51
Spinning noise (dBa)	77
Drying noise level IEC 704-3 dB(A)	66
Installation	Freestanding
Dimensions (mm) (HxWxD)	870x600x630
Depth max, mm	660
Wheels/feet	4 adj feet
Cord Length	1.8
Inlet hose length (mm)	150
Outlet hose length (mm)	140

Connected Load	2200
Voltage	230-240
Required Fuse	13
Frequency	50
Porthole Type	P1B + Turbine
Woolmark	Woolmark Blue + Certified Ariel/Lenor
Program list	Cotton, Cotton economy, Synthetics, non stop 3h/3kg, Silk, Wool/Handwash, OutDoor, Steam, Rinse (Rpm Dep), Spin / Drain
ProdPartCode	All Partn
