

**Philips Flashlights**
Torch

• LED Lantern

SFL6080/10

# Explore the outside

## With this 360° lantern

The 360° lantern is designed to last throughout outdoor activities. Its hook and waterproof metal body will make this lantern perfect for all outdoor activities.

### Benefits

#### Top Performance

• 360° lightening
• 8 metre beam distance
• Lightweight metal body
• 3 levels of intensity and 1 flashing mode (3 sec. pressing)
• 5/8/18 hours run time (varies with the brightness)
• Water resistant and float
• 40 lumens light output

#### Ease of Use

• Lightweight for comfortable use
• Designed with a fold out hook to hang it everywhere

### Features

#### 360° lightening

Thanks to the 360° illumination, the lantern provides a wide lighting area. Making it perfect for hiking, using inside a tent or for any outside activities.

#### 3 levels of intensity

Enjoy different levels of intensity, which are ready to be used in different environment conditions. A flashing mode is also available for emergencies.

PHILIPS

### Water resistant and float

Thanks to the special sealing, the torch is water resistant and can float on water. Makes it perfect for any outdoor activities, even in extreme weather conditions.
