S9111/45

Perfection in every pass

Cuts up to 20% more hair* in a single pass

The Shaver 9000 is our most advanced shaver yet. The unique contour detect technology offers exceptional coverage over every contour of your face, and the V-Track system guides hairs into the best cutting position for the closest results.

Designed for perfection
- Blades perfectly guide hairs into position for a close shave
- Heads flex in 8 different directions for a superb result

A comfortable shave
- Get a comfortable dry or refreshing wet shave with Aquatec

Easy to use
- Intuitive icons make the functions easy to use
- 50 minutes cordless shaving after a one-hour charge
- Shaver can be rinsed clean under the tap
- With 2 year guarantee

Get the most of your shaver
- Click-on trimmer for perfect mustache and sideburn trimming
- Fast and safe trim of nose & ear hair

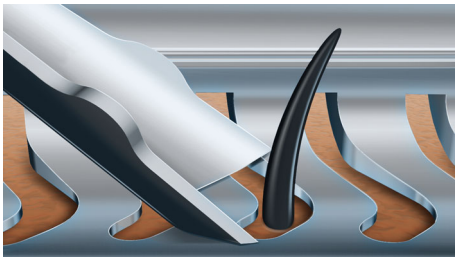
Highlights

V-Track precision blade system



Get the prefect close shave. The V-Track Precision Blades gently positions each hair in the best cutting position, even the flat laying and different length of hairs. Cuts 30% closer in less strokes leaving your skin in great condition.

8-direction ContourDetectHeads

Follow every contour of your face and neck with 8-directional ContourDetect heads. You'll catch 20% more hairs with every pass. Resulting in an extremely close, smooth shave.

Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet – with gel or foam – even under the shower.

SmartClick precision trimmer

Click on our skin-friendly Precision Trimmer to finish your look. It's ideal for maintaining your mustache and trimming your sideburns.

SmartClick nose trimmer

Removes unwanted nose and ear hairs. The ProtecTrim technology and the specially designed angle of the trimmer ensure a powerful, easy and comfortable trim with no pulling guaranteed.

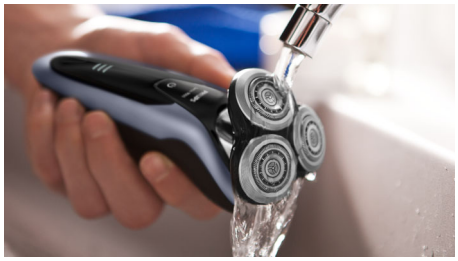
3 level LED display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 3-level battery and travel lock indicators - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator

50 minutes of cordless shaving

Our advanced charging system gives you two convenient options: charge for one hour and you'll get 50 minutes of running time, or do a quick charge for one full shave. All 9000 Series Shavers contain a powerful energy-efficient, long-lasting lithium-ion battery. They are designed to operate only in cordless mode, to ensure you'll always be safe when shaving with water, even under the shower.

Fully washable shaver



Simply open the shaver head to rinse it thoroughly under the tap.

DESIGN AWARD 2015

iF DESIGN AWARD 2015

Shaver series 9000
Precision, control and maneuverability are the defining features of the 9000 shaver. The V-Track system guides hairs into the best cutting position for the closest result, while fully flexible eight directional heads catch more hairs for a clean shave in fewer strokes. The "AquaTec Wet & Dry" seal of this shaver allows for a comfortable dry shave or a refreshing wet shave, using a shaving gel or foam for extra skin comfort.
