AirDry Technology Full_Width(60cm)

KEAF7200L

Forget towel drying, open the door to dry dishes
Our 300 AirDry Dishwasher technology finishes each cycle with a breath of fresh air, performing three-times better than closed-door systems. The door opens automatically during the drying phase and air leaves plates and cutlery completely dry.

Product Benefits & Features

Three-times better drying with AirDry
The new AirDry technology uses natural airflow to finish drying, for up to three-times better performance compared to closed-door systems. The door opens 10cm towards the end of the cycle, letting air circulate for superb drying results.

- Height adjustable upper basket
- 5 programmes, 3 temperatures
- 49 dB(A) noise level - quiet in operation
- 3 hours delay start
- 9.9 litres - more economical than washing by hand

Quick and efficient
Your new time saver. When you have a light load, our 30-minute quick wash programme offers the perfect solution. And all without compromising on results. For the perfect washing result - fast.

Easy installation, PerfectFit
With PerfectFit Sliding Hinges, it’s never been easier to install your new dishwasher. The hinges accommodate all niche machine heights and even remove the need to cut the plinth. You can be confident that your machine will fit into your kitchen perfectly.
