PHILIPS

Steam iron with OptimalTemp technology and T-ionicGlide soleplate
OptimalTemp 2400 W, 45 g/min steam

GC4912/31

Highlights

100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of ironing results.

Tested and approved:

This iron is tested and approved by independent textile experts institutes for its excellent ironing performance, such as DWI, IWTO, Woolmark. The Woolmark Apparel Care program helps consumers identify quality laundry products that are approved by The Woolmark Company for use on wool products. Philips with its exclusive OptimalTEMP technology has been so far the only brand able to be certified with the Gold standard from Woolmark. You can be confident that the Woolmark-approved apparel care products are ideally suited for any wool garments.

100% fast

100% fast to iron, no sorting required. Iron all your garments with more effective steam.

Smart light feedback

Smart light feedback indicates the status of the iron at any time.

2400 W for fast heat up

2400 W iron for fast heat up and powerful performance on all your ironable garments.

Steam up to 45 g/min

Continuous steam output of up to 45 g/min gives you the perfect amount of steam to efficiently remove all creases.

Steam boost up to 180 g

The steam boost can be used for vertical steaming and tough creases.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

Steam iron with OptimalTemp technology and T-ionicGlide soleplate
OptimalTemp 2400 W, 45 g/min steam

GC4912/31

Specifications

Fast & powerful crease removal
- Soleplate: T-ionicGlide
- OptimalTEMP technology
- Continuous steam output: Up to 45 g/min
- Steam boost: 180 g
- Spray
- Power: 2400 W

Easy to use
- Water tank capacity: 350 ml
- Drip stop
- Safety auto off
- Cord storage: Cord clip
- Power cord length: 2.5 m
- Cord freedom (swivel): 180 degree cord freedom
- Fast and easy filling

Sustainability
- Energy saving: 10% energy reduction

Calc management
- Suitable for tap water
- Calc clean solution: Double active calc clean

Technical specifications
- Weight of iron: 1.75 kg
