Product Benefits & Features

A++ class – 21% more efficient than A+-class, comparing the classes
Preserve your food with greater energy efficiency - using this A++ class upright freezer. Energy class A++ is 21% more energy efficient than class A+, comparing the classes.

Take complete control of the settings at the touch of a finger
Control your fridge freezer with just the lightest touch using these advanced Touch Controls. Feedback can instantly be seen on the external control panel's clear LCD display.

Perfectly fresh food – straight from your freezer
The FastFreeze function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.

Freezer with storage solution for large items
The MaxiBox drawer was specially designed as a solution for the storage of large items in the freezer. This drawer enables you to organize the space in the best way according to your needs.

Perfect control over the freezer's storage conditions of your food
For precise control over your freezer, the visible and audible alarms alert you as soon as the temperature rises too high. The upright freezer also records the highest temperature reached.
