Free Standing Dishwasher with AirDry Technology

FFB62400PW

Cut the dishwasher's cycle time in half and save time
With the Time Saver function on this dishwasher, you can cut the length of the cycle in half. This way you can make sure your dishes will be ready for use when you need them again. Ideal when you're having guests.

With the Time Saver function on this dishwasher, you can cut the length of the cycle in half. This way you can make sure your dishes will be ready for use when you need them again. Ideal when you're having guests.

Product Benefits & Features

Every shape. Any arrangement
The advanced AEG dishwasher enables complete customisation of the compartments inside. Unique foldable racks and a liftable basket mean items of all shapes and sizes are accommodated.

- Capacity: 9 place settings
- Sensorlogic
- Extra silent programme
- 4 temperature settings
- 6 programmes including:
- 30 min 60° quickwash
- Glass 45° C wash
- Auto half load
- Multi-tab
- Delay start of up to 24 hours

Corner-to-corner. Covered
Even closely stacked or larger dishes should receive corner-to-corner cleaning. Now, the innovative satellite spray arm in the new AEG dishwasher ensures that every corner of the machine and every inch of the items inside are reached by spraying water thoroughly inside. No residue.Just stunning

Customised Cycles, Complete Cleaning
Advanced sensors in AEG dishwashers automatically adjust the time, temperature and water usage according to the soil level of each load. So you can have customised cycles for each clean with the very best results every time.
