REASON TO BUY

Compact and lightweight, this mini thermal printer is designed to go wherever you go: from everyday life to study time and travel. Thanks to thermal technology, it requires no ink, ensuring practicality and zero waste. It easily connects to your smartphone through a dedicated app (available on the App Store and Google Play), allowing you to print photos, notes, lists, and memories quickly and easily. Plus, it is ready to use right away thanks to the paper roll included in the package.

COMPATIBILITY : Universal

MAIN FEATURES 4 SELLIN SPEECH

- **Compact and portable**: the mini size makes it easy to carry with you at all times, in your bag or backpack;
- **Thermal technology**: prints without ink, for practical and instant use;
- **Wireless connection**: easily connects to your smartphone to print in just a few seconds;
- **Dedicated app**: works through a downloadable app available on the App Store and Google Play (Tiny Print);
- **Ready to use and easy to refill**: the package includes 1 paper roll and, thanks to the standard size, refills are easy to find online and simple to replace;
