Press the 3 shape buttons for fun & educational songs, sounds, and phrases

Open window lets toddlers place figures in and out of the engine

Includes 6 figures to come along for the ride

Switch up the Smart Stages® learning as they grow

Level 1 – Discover: At first, toddlers will hear fun sounds and phrases about shapes, colors, the alphabet and animals.

Level 2 – Experience: Fun phrases about animals get kids moving, like flapping their "wings" like a bird or taking their train to the next stop.

Level 3 – Imagine: Exciting sounds help get the pretend play chugging along.
