PHILIPS

Features

Teat acceptance

Babies know what they like! We asked mums how their little ones respond to Philips AVENT teats and 9 out of 10 babies accept our soothers.*

Security handle

Our security handle lets you easily remove your baby's soother at any time. Even little hands can grab it!

Orthodontic teat

Our collapsible silicone nipple has a symmetrical shape that respects your baby's palate, teeth and gums as he or she grows.

Snap-on cap for hygiene

When the soother isn't in use, simply snap on the cap before storing to keep the teat safe and clean.

Made in the UK

You can be sure that your little one's comfort is in good hands. This soother was made at our award-winning site in the UK.*

Easy to sterilise

Keeping your little one's Soothies and soothers clean is easy. Simply put them in your steriliser or submerge in boiling water.
