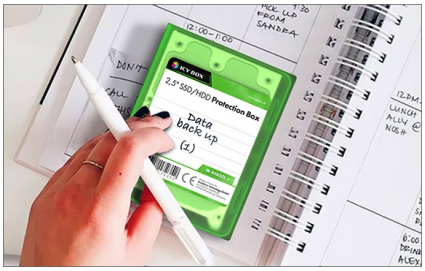
ICY BOX **IB-AC6251-6**
Protection box set (6 pcs) for 2.5" HDD/SSD

Sixpack

Robust plastic sleeves in six great colours protect your HDD or SSD from impact, dust and splash water. Choose the right colour for your 2.5" hard drive spontaneously from a set of 6. The sleeves are ideal for storage media with a height of up to 12.5 mm.

6 cool colours

Make your office or home office a little more colourful. If you have gathered a few hard drives over time, you can now store each one safely. The colour spectrum includes white, grey, blue, green, red and orange.



Well informed

The slightly transparent material allows you to see at first glance whether the case is occupied. You can record exactly which hard drive contains which data by writing on the self-adhesive labels supplied. Six spare labels are also supplied.
