Power with precision

Super-steam, super-glide iron

- SteamGlide soleplate is Philips' premium soleplate
- 2400 Watt enables constant high steam output
- 100 g steam boost to remove stubborn creases easily
- Continuous steam output up to 40 g/min
- Double Active Calc System prevents scale build-up
- Steam tip allows you to have steam in hard-to-reach areas
- Drip-stop system keeps your garments spotless while ironing
- Electronic shut-off when iron is left unattended
- Extra long 3 m cord for maximum reach

Highlights

SteamGlide soleplate

The SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistance, glides excellently and is easy to clean.

2400 Watt

2400 Watt enables constant high steam output.

Steam boost up to 100 g

Steam boost up to 100 g for fast removal of even the most stubborn creases.

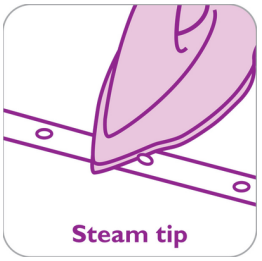
Up to 40 g/min of steam

The Philips steam iron with continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

Double Active Calc System

The Double Active Calc System of your Philips steam iron prevents scale build-up through anti-scale tablets and an easy-to-use calc clean function.

Steam tip



The unique steam tip of this Philips iron combines a particularly pointed soleplate with special elongated steam slots in the tip to reach right into the smallest and most difficult areas for the best ironing results.

Drip-stop system

Your Philips steam iron's Drip-Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Auto shut-off

The electronic shut-off automatically switches the iron off when it is left unattended or tips over.

Extra long 3 m cord

With the extra-long 3-m cord of your Philips iron, you can easily reach right up to the edges of your ironing board - and further!
