NGS PORTABLE BT SPEAKER ROLLER RIDE BLUE

10W PORTABLE TWS BT SPEAKER TF/AUX IN - 1200 MAH BAT-IPX4

NGS Roller Ride Blue, a portable 10W compact speaker with incredible sound so you can enjoy your best moments a little more.

It has several playback methods so you can enjoy your music exactly how you like it:

Bluetooth compatible: Connect your device with Bluetooth 5.0 technology and play all your music with the best sound quality.

Auxiliary Audio Input: Connect any external sound source through a 3.5 mm jack cable.

Micro SD Audio slot: Insert a Micro SD card and play all your digital files.

Get powerful, clear sound by connecting 2 NGS Roller Ride speakers and enhance the fun. Thanks to its True Wireless Stereo technology you can double the power.

Enjoy music uninterrupted, knowing that it is equipped with a 1200 mAh battery that can be recharged using a Micro USB, which gives it a play time of up to 7 hours, which can vary depending on the volume of the music being played.

* 3 hours at maximum volume, 7 hours at 70% and 12 hours at 50%

Designed for you to take anywhere, the device comes with a hand strap so you can hook it up (on your backpack, bike, etc.) and carry it around comfortably.

Despite its compact size (15*8*8 cm) it boasts great power and sound quality with an excellent bass, providing you with a unique experience.

Thanks to its **IPX4 waterproof** level, the NGS Roller Ride is protected against water splashing.

The speaker has easy-to-use buttons for volume control, for skipping forward and backward through songs, and for playing and pausing music.
