CIRO01WC

CIRO UVC Sterilizer with Wireless Charger

This CIRO UVC Sterilizer sanitizes masks, mobile phones, earpods, jewelry, watches, keys or other gadgets in only 5 minutes, killing germs, viruses and providing protection from invisible harmful organisms. Makes daily life safer and provides peace of mind that your high-touch devices and other life tools are free from contamination.
To further enhance holistic wellbeing, the device comes with an aromatherapy function. Simply place a few drops of essential oil in the device and the sterilizer acts as an aromatherapy diffuser.
The certified product also provides child safety functionality and automatically shuts off when the lid is open, avoiding exposing to ultraviolet light.
The sterilizer also supports wireless charging for Qi-enabled devices or any device with a Qi receiver, by simply placing the device on the sterilizer.
The sterilizer is an innovative, multi-function piece of equipment which will become essential for everyday life!
