Highlights

Digital temperature control

Temperature settings of 40, 80, 90 and 100°C to make sure the basic ingredient for your tea, instant coffee, soup or noodles is at the temperature you like.

Keep warm function

Keep warm function keeps the water at your set temperature.

Turning lid

Turning lid with large opening for easy filling and cleaning, also avoiding contact with steam.

Flat heating element

The stainless steel concealed element ensures fast boiling and easy cleaning.

Anti-calc filter

Triple anti-calc filter for a clean cup of water and a cleaner kettle.

Cordless 360° pirouette base

Cordless 360° pirouette base for easy lifting and placing.

Multi safety system

Multi safety system against boil-dry, with auto switch-off when ready

Ring sound when water is ready

Ring sounds when your water has reached boiling point.

Water level indicators

Easy-to-read water level indicators on both sides of the Philips electric kettle for left- and right-handed use.
