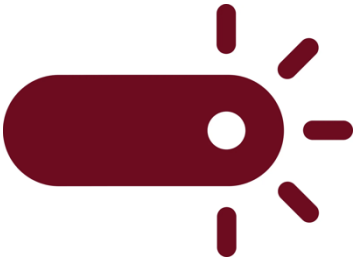
- Cable storage

Highlights

Translucent water tank

LED power switch

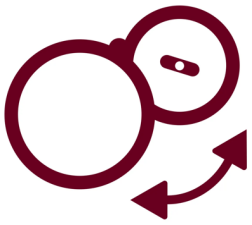


The red light on the switch button illuminates when the coffee maker is switched on.

Dishwasher-proof filter and jug

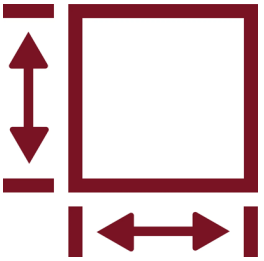
Drip stop

Swing filter holder



The filter holder is opened by swinging it to the side, which makes it easy to fill up with coffee. The filter holder is also detachable for easy cleaning.

Compact design



This coffee maker is especially designed for brewing 2 to 7 cups of coffee (maximum 0.6 litres). Thanks to its very compact design, this coffee maker takes little place in your kitchen.
