AEG

81.9 cm Integrated Upright Freezer

ABB682F1AF

Slim, compact, space-saving freezer
The 3000 Compact Freezer fits effortlessly into the smallest spaces in your kitchen layout. So you can position it precisely where it suits you. Slim outside, but with plenty of freezer space inside, the compact freezer is the perfect solution to make the most of your available space.

Product Benefits & Features

Just your type - this Compact Freezer fits anywhere
The slim-design Compact Freezer fits easily where you want it. The precise size for when you need a freezer option that doesn't take up too much space.

Manage functions and temperature with Electronic Control
Electronic control gives you the ability to make precise modifications of the temperature and other storage functions. This efficient Upright Freezer also gives you instant feedback of your adjustments on the digital control panel.

Perfectly fresh food with Frostmatic
The Frostmatic function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.

- Thermostat control knob
- Frostmatic fast freeze function
- Precision freezing system
- Audible and visable high temperature warning signal
- Door open warning alarm
- 105 litres gross capacity
- 86 litres net capacity
- Freezer defrosting: manual
- 3 Full Width transparent freezer drawers
- Power cut safe for 21 hours
- Reversible doors
- Door on door installation
