- Compatibility

Highlights

Brushed stainless steel wrap
Sleek design with brushed stainless steel finishing easily fits your kitchen or home styles.

Eco-friendly
One carbonating cylinder makes up to 60 litres of delicious sparkling water, replacing 120 single-use plastic bottles.

Built-in safety relief valve
When the machine is operating, the safety relief valve releases the pressure inside the bottle automatically. The buzzing sound also indicates the sparkling water is ready to be enjoyed.

BPA-free material
BPA-free material.

3 steps: fill, twist and press
3 easy steps to make fresh sparkling water at home: fill, twist and press!

Adjustable carbonation level
Customise the carbonation levels based on your personal preference. Simply repeat the carbonation process to have more tongue-tingling bubbles!

No electricity required
The soda maker requires no electricity to operate, so you can get fresh sparkling water anytime and anywhere. All you need to do is press the button and then enjoy.
