DESCRIPTION

Extendable Tripod for Smartphone and 3 in 1 Cameras:
- Allows its use as a selfie stick and as a travel tripod.
- It incorporates a Bluetooth remote control in the handle that can be removed to take photos with the remote tripod.
- Its interchangeable head allows the use with Smartphones and with action cameras such as GoPro
Its extendable stick allows you to lengthen the cane up to 1 meter. Its head for coupling for Smartphone and cameras, allows a complete 360º and 203º turn in neck movement, fully foldable. Ideal for selfies, video conferences, etc. The ideal complement to take your photos for Instagram, Facebook, Tick Tock, etc. Indispensable in your trips and photo shoots indoors or outdoors.
Your Bluetooth remote control: incorporates a long-lasting replaceable battery. The remote control can be detached from the tripod for remote photography. Its Bluetooth allows a connection with your phone of up to 10 meters. Compatible with apps to take pictures, allowing immediate and programmed shooting.
High Quality Materials:
Thanks to its compact stainless steel rods and ABS and PC anti-slip materials, the selfie stick is not only lightweight, but also corrosion-resistant and non-slip. Small and compact, you can put it in your pocket or bag, the aluminum alloy foot and the non-slip ottomans make the tripod more stable for recording or video conversation with family or friends from the remote control.
