Highlights

Smart TV
Discover a Smarter experience that lies beyond traditional TV. Rent and stream movies, videos or games from online video stores. Watch catch-up TV from your favorite channels and enjoy a growing selection of online apps with Smart TV.

USB (photos, music, video)
Share the fun. Connect your USB memory-stick, digital camera, mp3 player or other multimedia device to the USB port on your TV to enjoy photos, videos and music with the easy to use onscreen content browser.

LED TV
With LED backlight you can enjoy low power consumption and beautiful lines combined with high brightness, incredible contrast and vibrant colors.

Pixel Precise HD
Pixel Precise HD optimizes picture quality to deliver fluid, yet sharp moving images with beautiful contrast, detail and depth. With deeper blacks, brighter whites and the most vivid, brilliant colors with natural, lifelike skin tones, you'll enjoy a viewing experience like you were there.

Wi-fi integrated
Integrated Wi-Fi on your Philips Smart TV makes connecting to your home network quick and easy, allowing you to access a world of content or share wirelessly at home.
