Hairdryer
1500W Ions, Foldable handle, Worldwide voltage

BHD007/09

Highlights

1500W for perfect drying

This 1500W hairdryer creates the perfect level of airflow and drying power, for beautiful results every day.

ThermoProtect temperature

The ThermoProtect temperature setting provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

Ionic conditioning

Give your hair an instant care with ionic conditioning. Charged negative ions eliminate static and conditions the hair to intensify the hair's shine and glossiness. The result is smooth and frizz-free hair that shines beautifully.

3 flexible speed settings

This hairdryer offers 3 pre-selected speed/heat combinations to make it quick and easy to achieve the perfect style.

Cool Shot sets your style

A must-have professional setting, the Cool Shot provides a burst of cold air. Use after styling to set and finish your style.

Foldable handle

This hairdryer has foldable handle, making it easy to pack, store and take with you anywhere you go.

Dual voltage

Dual voltage for worldwide use

Easy storage hook

A rubberized hook can be found on the base of the handle. Use to store easily at home or if staying at a hotel.

1.8m cord

1.8m cord.
