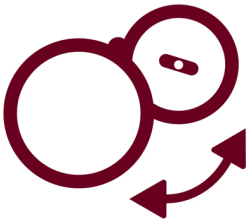
Highlights

Boil & Brew

Drip stop

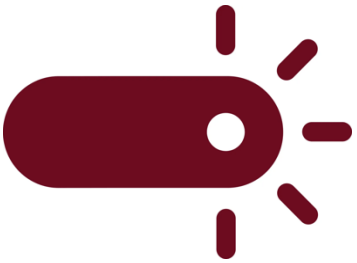
The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

Swing filter holder



The filter holder is opened by swinging it to the side, which makes it easy to fill up with coffee. The filter holder is also detachable for easy cleaning.

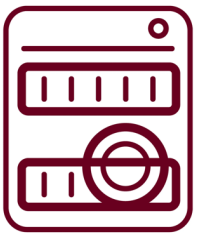
LED power switch



The red light on the switch button illuminates when the coffee maker is switched on.

Cable storage

Dishwasher-safe parts



The jug and filter holder can be easily cleaned in the dishwasher.
