- Long life span up to 25,000 hours

Highlights

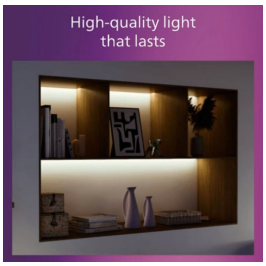
Suitable for low ceilingsSlim design Easy installation

No more hassle with installation. Just fix or hang securely on the wall or ceiling, and plug it in. Your new light fitting is now ready to light up your room!

EyeComfort

Poor quality light can cause eye strain. With many of us spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, colour rendition and dimming effects to ensure they
meet EyeComfort requirements. Philips LED bulbs not only deliver comfortable light, but also stay that way for the duration of their lifespan, delivering consistent light quality, output and colour for more than a decade. Switch to light that's easy on your eyes. Your eyes will thank you.

High-quality metal material



Durable and attractive metal material for a strong finish.

Long life span up to 25,000 hours

Philips LED technology extends your product's lifetime up to 25,000 hours
