Highlights

Extra small and lightweight

Mini Pacifier's shield is extra small and lightweight for tiny babies up to 2 months old.

Nipple acceptance

Babies know what they like! We asked moms how their little ones respond to Philips Avent nipples and 9 out of 10 babies accept our pacifiers.*

Orthodontic nipple

Our collapsible silicone nipple has a symmetrical shape that respects your baby's palate, teeth and gums as they grow.

Made in the UK

You can be sure that your little one's comfort is in good hands. This pacifier was made at our award-winning site in the UK.*

Security handle

Our security handle lets you easily remove your baby's pacifier at any time. Even little hands can grab it!

Snap-on cap for hygiene

When the pacifier isn't in use, simply snap on the cap before storing to keep the nipple safe and clean.

Easy to sterilize

Keeping your little one's pacifiers clean is easy: simply put them in your sterilizer or submerge in boiling water.
