DESCRIPTION

The Ewent EW1260 RGB Multi-angled Notebook Cooling Stand features a metal mesh surface with six powerful silent fans to prevent devices from overheating. This versatile stand can be used as a laptop stand or as a cooling base.
The EW1260 is USB powered, so you don't need an external power supply. The laptop stand can be adjusted to 6 different viewing angles to create the ideal working height. Furthermore, the EW1260 adds 2 additional USB ports to your laptop.
RGB LED lights with 7 different fully selectable working modes. The EW1260 fans can be adjusted up to 6 speeds. Its LCD screen will make it easy for you to control your support.
It has side supports to place your Smartphone or Tablet and facilitate its use while working with your laptop.
The non-slip rubber feet will keep the EW1260 in place.
