EPSON®
EXCEED YOUR VISION

Epson GT-20000 Series

High performance, reliable A3 business scanning

Give your office advanced scanning performance to match higher cost scanners. Increase productivity effortlessly with fast speeds, the latest imaging technologies and easy to use features.

Key benefits:

- Higher performance A3 flatbed business scanner: speed, quality and reliability
- High volume scanning: ADF for up to 23 ppm mono, 15 ppm colour
- Easy to integrate: dual USB and SCSI interface, with networking*
- Comprehensive document management and control: with Epson Scan software

Experience advanced performance with the Epson GT-20000. Combine A3 flexibility, fast scanning speeds and excellent reliability. Maximise efficiency and control with advanced features including RGB dropout, auto de-skew and text enhancement.

Streamline document management with the Epson GT-20000NPro. Scan multiple documents up to 23 ppm mono and 15 ppm colour with the 100-sheet duplex Auto Document Feeder. Create a centralized scanning solution with built-in Network interface.

High-speed, reliable A3 flatbed business scanning: combine a superior level of performance with great value

Scan larger documents easily: capture maps, books, magazines in mono or colour at 600x1200 dpi

High volumes, high speeds: scan mixed documents with the 100 page Auto Document Feeder and auto size detection feature*

Increase productivity: simple integration into document management systems with TWAIN and ISIS driver support

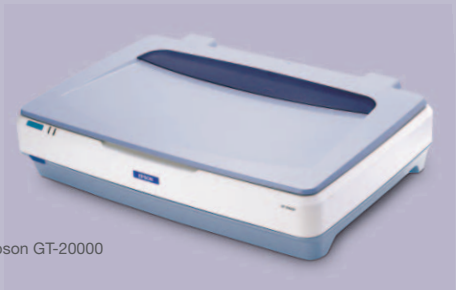

High-speed data transfer: with fast, efficient Hi-Speed USB 2.0 and SCSI interfaces

Share with the whole office: create a networked scanning solution with optional Epson Network Express*

Advanced imaging: Epson Scan software with RGB colour dropout, auto skew, Text Enhancement 2.0, auto page size detection

Minimal environmental impact: meets strict ENERGY STAR® energy efficiency guidelines
