PHILIPS

do-it-yourself hair clipper

Stainless steel blades

20 length settings

60 mins' cordless use/1 hr charge

Precision buzz comb

QC5530/25

Cut your own hair - even in hard-to-reach areas with the 180° rotating head

Give yourself a precise trim every time. The unique 180º rotating head of this Philips hair clipper makes it easy to reach every part of your head, for an even trim every time.

Easy to use
- 2-year guarantee, worldwide voltage.
- 100% waterproof for easy cleaning
- Battery light shows the battery status
- 60 minutes of cordless power after a 1-hour quick charge.

Do it yourself
- 180° rotating head for easy reach

Skin-friendly performance
- Skin-friendly, high-performance trimmer blades
- Contour-following comb follows every curve of your head.
- Easy to select and lock in 20 length settings — 1 mm to 30 mm
- Precision comb with 5 locking length settings — 1 mm to 3 mm

Highlights

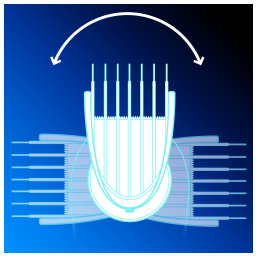

20 locking length settings
Turn the wheel to simply select and lock in the length setting you want. Three adjustable combs provide length settings from 1 mm to 30 mm, with precisely 2 mm between each length on the main combs and 0.5 mm between each length on the precision comb. You can also use it without a comb for a close 0.5-mm trim.

Battery light
Battery light glows green when full and blinks orange when 10 minutes remain.

Follows every curve
The hair clipper gently follows the contours of your head for a fast, even and comfortable haircut.

Li-ion battery power
The powerful lithium ion battery lasts for 60 minutes after a 1-hour charge. A quick 10-minute charge gives you 10 minutes of clipping time, so it's always ready when you are.

Precision comb (Grooming 2012)
The additional comb gives you extra length settings from 1 mm to 3 mm, with precise 0.5 mm steps between each length.

180° rotating head

Makes trimming your own hair easier than ever. Simply select the best angle to comfortably reach all parts of your head without any assistance.

Built to last
All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility.
