Highlights

Incandescent-like warm white
This bulb has a colour temperature of 2,700 K, providing you with a warm, tranquil atmosphere, perfect for relaxing. Ideal for home lighting design

Replaces lustre incandescents

With its beautifully shaped design and familiar dimensions, this is a contemporary lighting, LED lustre. The perfect sustainable replacement for traditional incandescent lustres.

Vintage range
The Philips Vintage collection is available in an array of giant shapes, candles and other familiar form factors, to provide a seamless fit across your space.

Cord
This Philips lamp can be used in combination with one of the Philips cords to complete your interior illumination and bring an industrial feel to your living space.

15,000-hour rated average life

With a lifetime of up to 15,000 hours, you can reduce the hassle of frequently replacing your light tubes and enjoy a perfect lighting solution for over 15 years.

Saves up to 80% energy

LED technology saves up to 80% energy compared to your standard bulb. It therefore pays for itself and saves you money year after year. It also helps to protect the environment.

Perfect for general lighting

Contemporary lighting with Philips LED standard bulbs for use in table lamps, floor lamps and pendant fixtures. Ideal for use in kitchens, kitchen island lighting, living rooms and dining rooms.

Vintage-style, modern LED
LED Classic bulbs are based on standard LED energy-saving technology. Now you can enjoy a retro-style bulb with state-of-the-art technology combined with vintage design.
