Highlights

Up to 10.5 hours web browsing

Enjoy web browsing for up to 10.5 hours on a single charge.

Up to 13 hours talk time

The phone can support up to 13 hours conversation on a single charge.

Dual mode (WCDMA and GSM)

Your Philips mobile phone incorporates two SIM cards to allow you access to WCDMA and GSM network connections at the same time. Now you can enjoy wider mobile coverage on two networks with just one phone.

Android - open to new features

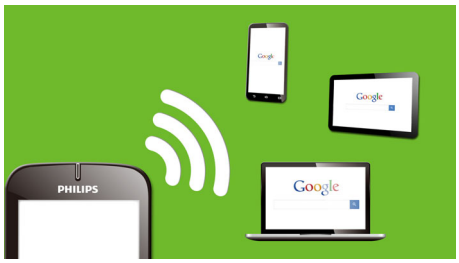

Empowered by Android, your Philips mobile now comes with a fully customizable mobile platform that is open to a wide range of smart applications and functions. Find your pocket PC, games console and telephone all rolled conveniently into one.

HSDPA/HSUPA data speed

Now your phone can easily keep up with your computer when it comes to data transfer speed and capacity. With enhanced 3G technology in the form of HSUPA 5.76 Mbps and HSDPA 7.2Mbps, you can easily upload and download files or access emails and the web on your Philips mobile phone with broadband-like speed.

Mobile hotspot

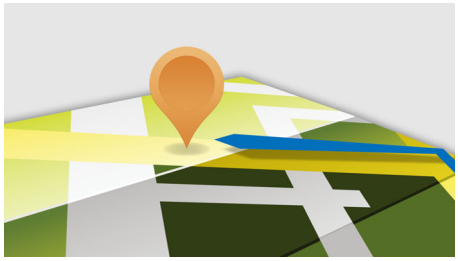

Want the fun and convenience of creating your own personal WiFi hotspot? With your Philips mobile phone, you can - thanks to its mobile hotspot feature. Now you can connect your favorite WiFi-enabled devices such as your laptop, netbook or media player to the internet from virtually anywhere on the go.

WLAN connectivity

With WLAN, you can enjoy speedy access to the Internet on your mobile phone. Go ahead and leisurely browse the web or send emails and files.

Built-in GPS

Keep track of where you are, find locations and discover new places quickly and easily! With a valid map, your phone's built-in GPS receiver can help you navigate your way.

4.3" WVGA IPS touch screen

Enjoy ultra-smooth navigation on your Philips mobile phone that has been endowed with a highly responsive 4.3" WVGA IPS capacitive touch screen. Built with IPS technology to defy any viewing angle, your device will display vibrant colors and vivid images in all your photos and graphics for lots of multimedia fun and excitement. Whether you are zipping through file images or Internet websites, or zooming through menus and applications, this touch screen is sure to bring you sheer navigating pleasure.
