EW1266

Aluminum folding Laptop stand

• Lightweight and compact aluminium foldable laptop stand with 6 adjustable height levels
• Work more comfortably and prevent neck- and back complaints
• For laptops from 10 up to 15.6 inch
• Easy to take along; Comes with a convenient travel bag

DESCRIPTION

GREAT COMPATIBILITY
The EWENT EW1266 Laptop and Notebook Stand is fully compatible with all 10-15'6 inch laptops. Supports all laptop brands such as MacBook Air/Pro, Acer, ASUS, Chromebook, Dell XPS, Google Pixelbook, HP, Lenovo ThinkPad, Samsung. Versatile and suitable for use at home, office and on the road.

RESISTANT
Made of fully resistant 4mm premium quality aluminum alloy. It can support up to 5 Kg of weight. It has four non-slip silicone pads on the top and bottom of the bracket, and two silicone mats on the hook to prevent the laptop from sliding; keeps the laptop stable and protects it from slipping and scratches.

COOLING
The aluminum alloy material of the EWENT EW1266 stand can absorb heat and easily cool the laptop. The forward lean angle and open design offer increased ventilation and more airflow to cool your computer.

INSTALLATION
At just over 200 grams, this foldable portable stand is very easy to take anywhere. Ultralight to facilitate quick opening and closing. Its size and thinness allow for fast folding, it only takes 1 second to open or close. Includes a bag for transport and protection.

ERGONOMIC AND ADJUSTABLE
The EWENT EW1266 adjustable laptop stand, raises your laptop from 5 to 15 centimeters in height to achieve a perfect eye-level height. It has 6 height angles, which makes it easier to adopt the best posture when working with your computer, reducing back discomfort, neck stiffness, and wrist pain.
