HG755420NM Built-in Hob

Professional performance thanks to larger cooking area

This hob's larger cooking area provides the space you need to cook to professional standards, especially when larger, specialist pans are required.

Safety guaranteed thanks to automatic shut-off

If the flame accidentally goes out or if a burner is left on for a very long time, the gas is shut off from the source, ensuring perfect safety.

Three rings of flame for maximum heat – perfect for wok cooking

The triple crown burner incorporates three individual rings of flame into one powerful burner to deliver maximum heat. That makes this hob perfect for wok cooking.

More Benefits :

• Single-handed ignition for maximum efficiency
