## Wall-mountable tablet holder - Frame your tablet for Point of Sale applications, trade shows and more

Think of this anti-theft tablet enclosure from Manhattan as a digital picture wall frame. You can use it as a point-of-sale (POS) retail terminal, to greet clients in your office, for digital signage, as an information kiosk at trade shows and booths, for conference-room management, to create an interactive marketing kiosk and more. It is compatible with Apple® iPad® 9.7", iPad 10.2", iPad Air® 10.5" (Gen 3), iPad Pro® 10.5" and Samsung® Galaxy Tab A 10.1" (2019).

### Mounting versatility

Hang the frame via the VESA pattern either flush, directly to a wall or to any VESA-compatible stand or fixture like a monitor arm. Constructed from high-grade steel, the attractive matte finish and slim profile make it look modern and aesthetically appealing in any environment.

### Security first

Protect your expensive tablet from theft and tampering, especially in cases
