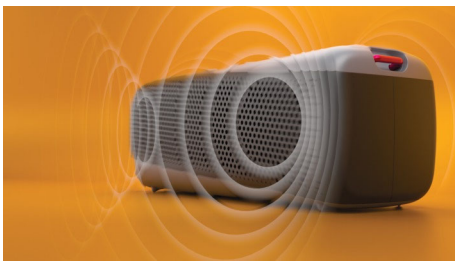
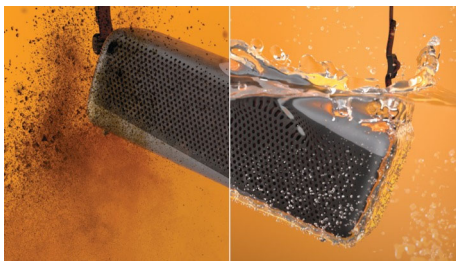
Highlights

Big sound



From parks to campsites—bring the music you love wherever you go! Two 70 mm woofers and two tweeters give you big, clear sound, and this speaker looks awesome too. Want to rock even harder? Pair two speakers for party-starting stereo.

IP67 dust/water protection

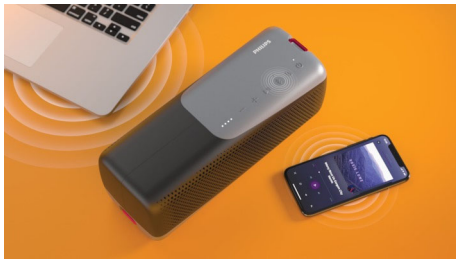


From the trail to the beach to the pool—an IP67 rating ensures this speaker can go anywhere. The detachable lanyard makes carrying easy and a Bluetooth range of up to 20 m means you won't miss a beat. Even if your phone is a long way from the speaker.

24 hours play time

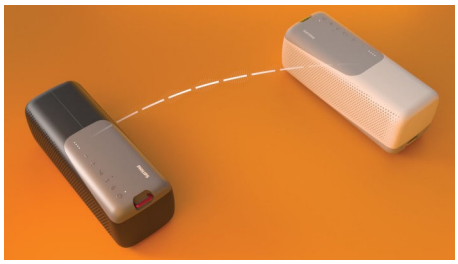
Cranking up the tunes? This speaker can keep going as long as you can. You get up to 24 hours of play time from a fully charged speaker and the power bank function lets you charge connected devices without stopping the music.

Bluetooth multipoint



Mix and match your workout playlists! With Bluetooth multipoint connectivity, you can connect up to two smart devices to this speaker simultaneously—and take turns pumping up the tunes. If a call comes in, the built-in mic lets you take it without disconnecting your phone from the speaker.

Easy control



Buttons on the speaker's outer case let you control volume, music playback, stereo pairing and Bluetooth. Want to tell your phone to play a certain song? Press and hold the play/pause button to talk to your voice assistant.
