Lenovo V55t Gen 2-13ACN

Smarter technology for all

Lenovo

MAINSTREAM COMPUTING FOR A VARIETY OF BUSINESS USES

Lenovo V Series desktops offer exceptional value for money, and are available in a range of sizes and performance configurations to meet the varying needs of your workforce.

This desktop is a great choice for refreshing old devices or supporting the needs of an expanding workforce. Behind the modern, professional design, is a desktop built for today's business environment of office productivity and cloud-based apps. Everything works faster and easier with the latest storage technologies, up to AMD Ryzen 7 processor, a self-help software tool, and plenty of USB ports for connecting office peripherals and charging mobile devices.

REASONS TO BUY

Firmware Trusted Platform Module (fTPM) offers chip-level encryption options, while the Kensington™ Lock slot, Padlock Loop, and Smart Cable Clip prevent physical theft. The improved BIOS interface with user-friendly prompts and graphical options makes setting up an easy task.

No user will run out of USB ports with this desktop; there are 8 in total with 4 on the front, including 2x high-speed ports for faster data transfer.

An energy efficient desktop with optional EPEAT Silver and Energy Star 8.0 certifications.

Lenovo V55t Gen 2-13ACN
