Highlights

Trendy colorful design
Pick your trendy color; canary yellow, jelly pink, ultraviolet purple, absinthe green, electric blue or sunrise orange to pimp up your daily pursuits of storing and sharing your data and hike up the fun factor

User friendly protective cap
Never lose your cap again! The protective cap is integrated in the product design, so it will always stay attached to the USB stick. To bring it into use, you only have to turn the cap backwards, plug the stick in and play.

Easy opening experience
The markings and perforations on the packaging show you the best way to open your packaging and get quickly access to your USB stick without hassle.

32GB storage capacity
A useful 32GB gives you the capacity to swap, share and save much larger or more files via the USB port of your PC or laptop.

Fast data transfer
High-speed data transfer rates significantly cut annoying waiting time when you're copying large multimedia files to or from your computer's hard disk.

Activity indicator
An appealing LED indicator shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.

Easy to use software included
A complete software suite is included, which will run automatically from the USB flash drive and gives you access to useful features like, Password protection, File synchronization, Data compression, USB lost & found, and USB information. Additionally, it comes with a 30-day trial for Portable Microsoft Outlook Express, Favorites synchronization and No-trace internet browsing.

Password protection
Due to password protection including 256-bit AES encryption, your valuable personal data can be protected from unauthorized access by simply using a password.
