PHILIPS

Dryer & Straightener
Gift set Limited edition

HP8640/11

Highlights

ThermoProtect temperature

The ThermoProtect temperature provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

6 heat/speed settings

Dryer: 6 heat/speed setting for full flexibility

Professional 1500W

This 1500W professional hairdryer creates a powerful airflow. The resulting combination of power and speed makes drying and styling your hair quicker and easier.

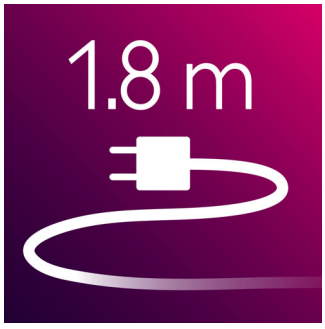
210°C professional high heat

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.

Ceramic plates

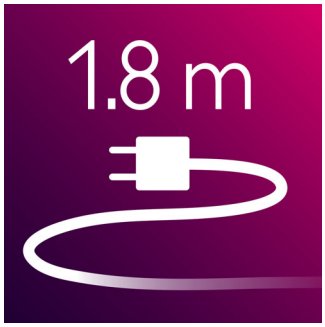
Ceramic is microscopically smooth and durable by nature, and is therefore one of the best materials for straightening plates. The ceramic plates are carefully processed to enhance the gliding and caring properties, giving you perfect shiny hair.

1.8m power cord length



Dryer: 1.8m power cord length

1.8m power cord length



Straightener: 1.8m power cord length

Cool Shot sets your style

Dryer: Cool Shot sets your style

Handle lock

Handle lock system for easy storage.
