PHILIPS

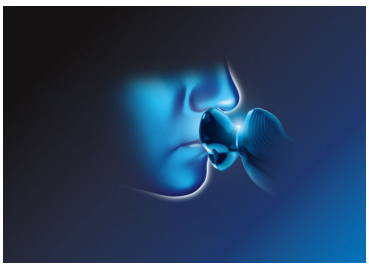

# Highlights

### 2D contour following

Advanced 2D contour following automatically adjusts to every curve of your face for a smoother shave.

### Designed for precision

The slim design of the shaver allows you to easily shave even the most difficult to reach areas of your face.

### Comfort shaving system

The imported shaving heads give you an ultimate smooth shave that is gentle on the skin.

### Aquatec wet and dry

The AquaTec seal on the Philips electric shaver makes it 100% waterproof. Use it in the shower with your favorite shaving gel or foam for extra skin comfort. Naturally you can also shave dry for convenience

### Anti slip grip

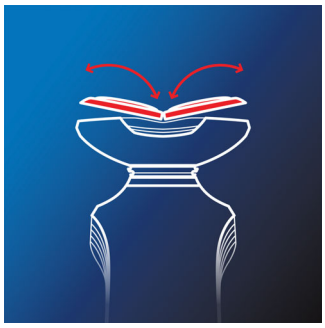

Unique ergonomic grip ensuring complete control and extra precision.

### Click-on trimmer

The full width, click-on trimmer is perfect for grooming your sideburns and moustache

### Reflex Action System

Automatically adjusts to every curve of your face and neck.
