S9211/41

Perfection in every pass

Philips' no.1 on 1-3 day beards

The Shaver 9000 is our most advanced shaver yet. The unique contour detect technology offers exceptional coverage over every contour of your face, and the V-Track system guides hairs into the best cutting position for the closest results.

Designed for perfection
- Our best shaving system on 1-3 day beard
- Heads flex in 8 different directions for a superb result

A comfortable shave
- Get a comfortable dry or refreshing wet shave with Aquatec

Get the most of your shaver
- Click-on beard styler with 5 length settings

Easy to use
- 50 minutes cordless shaving after a one-hour charge
- Intuitive icons make the functions easy to use
- Shaver can be rinsed clean under the tap
- With 2 year guarantee

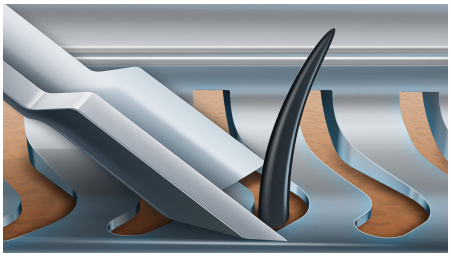
Highlights

V-Track blade system PRO



Get the prefect close shave. The V-Track Precision PRO Blades gently positions each hair in the best cutting position, from 1 day up to 3 day beard and even the flat laying and different length of hairs. Cuts 30% closer* in less strokes leaving your skin in great condition.

8-direction ContourDetectHeads

Follow every contour of your face and neck with 8-directional ContourDetect heads. You'll catch 20% more hairs with every pass. Resulting in an extremely close, smooth shave.

Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet – with gel or foam – even under the shower.

SmartClick beard styler

Change your look with the SmartClick Beard Styler attachment. Choose from 5 length settings to create anything from a perfect stubble look to a short, neatly trimmed beard. Rounded tips and combs are designed to prevent skin irritation.

50 minutes of cordless shaving

Our advanced charging system gives you two convenient options: charge for one hour and you'll get 50 minutes of running time, or do a quick charge for one full shave. All 9000 Series Shavers contain a powerful energy-efficient, long-lasting lithium-ion battery. They are designed to operate only in cordless mode, to ensure you'll always be safe when shaving with water, even under the shower.

3 level LED display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 3-level battery and travel lock indicators - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator

Fully washable shaver

Simply open the shaver head to rinse it thoroughly under the tap.

Built to last

2 year world-wide guarantee

We back this Philips shaver with a 2-year guarantee. Our 9000 Series Shavers are designed for performance and durability, promising you an extremely close shave time after time.
