- Steam boost up to 200 g

Comfortable ironing

- Auto Steam Sensor activates the steam automically
- Iron with smart light feedback indicator
- 3 ways of Safety Auto Off

PHILIPS

PerfectCare Xpress

Features

100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of ironing results.

100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

100% fast

100% fast to iron, no sorting required. Iron all your garments with more effective steam.

Tested and approved:

This iron is tested and approved by independent textile experts institutes for its excellent ironing performance, such as DWI, IWTO, Woolmark. The Woolmark Apparel Care program helps consumers identify quality laundry products that are approved by The Woolmark Company for use on wool products. Philips with its exclusive OptimalTEMP technology has been so far the only brand able to be certified with the Gold standard from Woolmark. You can be confident that the Woolmark-approved apparel care products are ideally suited for any wool garments.

SteamGlide Soleplate

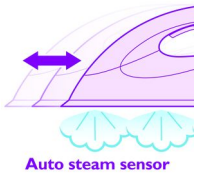

This specially designed soleplate combines superior ceramic coating for superior gliding on all fabrics and carefully designed vents for powerful crease removal.

2800 W for fast heat up

2800 W iron for fast heat up and powerful performance on all your ironable garments.

Auto Steam Sensor

The innovative Auto Steam Sensor with motion detection activates the steam automatically when moving the iron on the ironing board. This always gives you the right amount of steam for effective crease removal, while reducing the wasted steam. Great results and energy efficiency

Constant steam up to 65 g/min

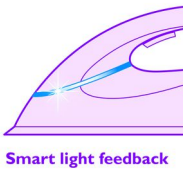

Constant powerful steam up to 65 g/min for better crease removal for all your garments

Steam boost up to 200 g

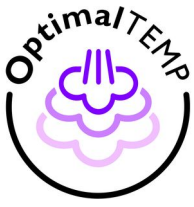

The steam boost can be used for vertical steaming and tough creases.

Smart light feedback

Smart light feedback indicates the status of the iron at any time.

OptimalTemp

One perfect setting for all your clothes. Always the perfect combination of steam & temperature because: 1) Advanced Smart Control Processor sets the perfect combination of steam & temperature 2) The ultra powerful cyclonic steam chamber delivers powerful constant steam for all your fabrics

Safety Auto Off

Safety auto off

Iron shuts off automatically when the iron is hold still for 30s on soleplate, 30s lying on a side or standing on its heel rest for 8 minutes.

Specifications
